MASSAGE

Thai Massage 45 min \$60 | 60 min \$77 | 75 min \$88

Relax deeply and improve mobility with a massage combined with assisted yogic stretches. In this age old tradition, yoga is 'done for you' so you can remain relaxed and reduce physical and mental tension while increasing flexibility.

Thai Yoga Massage is a deeply relaxing practice that offers passive yoga stretches and massage techniques to relieve tension, lengthen muscles, and increase joint mobility. Thai Yoga Massages differ from regular massages in that you remain clothed (something light is recommended), there are no oils used and the treatment is conducted on a large floor mat rather than a table.
